To whom it may concern;

I have had the pleasure of working with Charlotte Cuffling as my second stewardess for the past two years. Charlotte has been a viable asset to the team stepping up to any challenge with ease.

As a second stewardess Charlotte was eager to learn and adapted to her role very quickly. She has developed a keen eye for detail and efficiency. She has excellent time management skills and can be tasked without been micromanaged. Charlotte has been onboard for several charter seasons and busy boss trips and is not afraid to put in the hours to ensure the job is complete. She can go with the flow and adapt to changes.

Charlotte is able to assist in all aspects of the interior, bringing forward many suggestions/ideas resulting in unforgettable guest experiences. Charlotte is always ready to go the extra mile. She is very confident in service and guest relations. She is strong in cabin detailing and upkeep, as well as daily and weekly interior responsibilities onboard.

Charlotte brings a well-balanced positive attitude, is very friendly and gets along with all the crew. She would be a great addition to a motor yacht, and I am sad to not be working with her going forward. I am delighted to recommend Charlotte for a stewardess position.

If you have any further questions regarding Charlotte Cuffling, please do not hesitate to contact me.
